INTRODUCE ITS

Commercial Properties Division

YES!
We've expanded!

Our recently established Commercial Properties Division will assist you to satisfy your commercial real estate needs with the same professionalism we've demonstrated with our residential practice.

SERVICE ABOVE ALL

Are you Selling?

We offer:

- Listing in the Emerald Coast Multiple Listing Service
- World Wide exposure through the two premiere commercial properties networks loopnet and CCIMNet
- Internet marketing through our website www.century21wmacommercial.com, email messages, newsletters, and brochures
- Print marketing through newspaper ads, flyers and direct mail
- Expert project management and analysis assistance as you prepare your property for sale
- Competitive rates

Are you buying?

We offer:

- Searches of the Emerald Coast Multiple Listing Service

- Searches of the commercial properties networks and independent web sites
- Data searches in the County Property Databases
- An extensive network of cooperating Commercial Realtors in the Tri-County area
- Expert project management and analysis assistance as you prepare to purchase your property

The Division is managed by Richard H. Gregory Realtor®, GRI, e-Pro, MSEE, Certified Level III Program Manager, and candidate member of the CCIM Institute pursuing the Certified Commercial Investment Member (CCIM) designation. “My exclusively commercial real estate focus is anchored by 30+ years of engineering and project management experience with the Department of Defense.”
